

Dynamic Business Development Manager wanted

We are seeking a dynamic B2B Sales professional to join our team specifically to maximise the sales potential of a new, supply only fitted furniture business based in Ilkeston Derby.

Moorgrove Interiors Ltd is a fitted furniture manufacturer founded by Steve Midgley of Fairgrove Homes, to supply kitchens of exceptional quality to the small to medium sized builder/property developer at the right price.

This is an exciting opportunity for you to make your mark in the Kitchen & bedroom sector and become involved with a family owned company. We are proud of our team culture and employ like-minded people who are happy to roll up their sleeves and become part of our rapidly evolving strategies. Your ideas count and we actively encourage enthusiasm for improvement. We hope you will bring about the delivery of our vision for the future and in so doing be rewarded!

Ideally you will have a track record in business to business sales, and you will be able to demonstrate your ability to use your initiative. Working in the field, developing relationships with business customers, you will represent the company generating sales leads, developing business relationships and maximising sales opportunities.

If you are a confident, well presented professional person with a warm and friendly nature, and feel that you possess the necessary attributes for this rewarding and varied role, we would welcome your application.

This exciting position commands an attractive competitive salary in line with the sector, and a company car.

Applications are invited by completing our Fairgrove Homes Application Form, in your own handwriting then submitting by email to:

Mrs Christine Midgley – chrismidgley@fairgrove.co.uk

Or apply by posting your hand written application form to:
