### **Typical tasks include:**

- Working from plans and specifications
- Sealing foundations with damp-resistant materials
- Spreading layers of mortar to serve as a base and binder for bricks, remove excess mortar, and check vertical and horizontal alignment
- Use various tools and brick-cutting machines to cut and shape bricks
- Construct arches and ornamental brickwork
- Repair and maintain clay bricks, cement blocks/bricks and related structures

### **Average future salaries:**

Average salaries for experienced tradesman can be as much as £50,000 but most bricklayers will earn up to £30,000.

Career progression opportunities include positions as a Bricklayer, Site Engineer/Technician and Construction Manager.
