

Apprentice Joiner

Fairgrove Homes, Kimberley, Nottinghamshire, NG16 2JW.

Ilkeston-based housebuilder Fairgrove Homes is looking for bright and enthusiastic individuals to join its team as apprentice Joiners.

As an apprentice Joiner you will work with wood to create staircases, windows and doors, furniture, kitchens, cupboards and interior woodwork.

Typical jobs for a joiner include:

- A setter-out - combining drawing skills on CAD with hi-tech design to get everything ready for joiners to begin cutting wood
- A CNC operator - using a computer numerically controlled (CNC) machine to cut and shape wood and other materials into specialised shapes
- Wood machinist - a key member of the joinery team. Wood machinists need to understand wood as a material and how to get the best from it
- A joinery estimator - works out how much time and money it will take to make an item from timber
- A joinery foreman - responsible for running a joinery workshop

Average future salaries:

Average salaries are in the region of £14,000.00 to £30,000.00. Salaries will vary depending on location and employer.

To apply as an apprentice Joiner, please complete the application form on our website.
